Media postings

Website

The website of Liverpool Ramblers is intended as a source of information for both members and the general public. It provides information about the Group namely its activities and contact details. In the interests of clarity and specificity the website does not post information on behalf of other organisations or individuals.

Facebook Page

Members of Liverpool Ramblers Facebook group share information about the Group's activities and photographs on the Group's Facebook page. The page is not a vehicle for general advertising.

It is assumed that postings will be self-monitored and in good taste and not cause any personal offence. On the rare occasion when a posting is deemed inappropriate the page manager will delete it.

Any photographs published will be in accordance with GDPR regulations 2018.

Addendum December 2024

Ramblers define Group activities as follows :-

They have been organised by the committee and advertised in at least one of these ways:

- On the group or area website
- On the Ramblers website and app via Walks Manager
- In a printed programme
- On a public social media page (not a closed or private page)

Any activity advertised as above, will of course be open to all members.
